

## Day 1, 26 September

08.30 (30 min)	The conference platform opens			
09.00 (45 min)	<p><b>Opening ceremony - Moderator: Bridget Bwalya</b></p> <p>Welcome by Pär Forslund, Deputy Vice-Chancellor at SLU</p> <p>Opening address by True Schedvin, Head of Global Sustainable Economic Development, Sida</p> <p>Keynote speaker - Dan Smith, Director of Stockholm International Peace Research Institute, SIPRI</p>			
09.45 (15 min)	Break			
10.00 (75 min)	<p><b>Panel 1 - Building resilient food systems in drylands: Challenges and lessons learned from transdisciplinary research in East Africa</b></p> <p>Chair: Ingrid Öborn</p>	<p><b>Panel 2 - Adaptation to climate change and conflict mitigation in agro-pastoralist communities</b></p> <p>Chair: Marie Riquier</p>	<p><b>Panel 3 - Robust governance</b></p> <p>Chair: Aileen Kendi</p> <p><b>Elina Andersson</b> <i>"Putting things on paper and making them work out": Exploring challenges to pesticide governance in Uganda</i></p> <p><b>Guohan Yin</b> <i>Social exclusions in the fisheries governance of Morocco</i></p> <p><b>Ntombizethu Mkhwanazi</b> <i>Tackling vulnerabilities in South Africa's food systems: The need for strong governance</i></p>	<p><b>Panel 4 - Entrepreneur: From research to actions</b></p> <p>Chair: Bobby Ogwang</p> <p><b>Gbadegesin Alawode</b> <i>Promoting transparency, efficiency and inclusive market systems: experience of Tech4Ag in piloting mDairy innovation in Oyo State, Nigeria</i></p> <p><b>Anisha Gooneratne</b> <i>Modernity, markets and human centric solutions to improve food access in the city of Colombo</i></p> <p><b>Nothando Dunjana</b> <i>Barriers and opportunities for smallholder farmers participation in formal markets: Lessons from stakeholder meetings between farmers cooperatives and processing companies</i></p> <p><b>John Mugonya</b> <i>Skills, networks and capital for a sustainable food system</i></p>

**Please note: All time slots displayed in the conference programme are in Central European Summer Time (CEST) / UTC+2**

**Day 1, 26 September**

11.15 (30 min)	<p><b>Guided poster walks</b></p> <p>Soil organic carbon and CO<sub>2</sub> efflux under different grazing intensities in Miombo woodland in Tanzania - <b>Hadija Mchhelu</b></p> <p>Sustainable intensification and bioeconomy: Enhancing non-food biomass supply while supporting the resilience of food production systems - <b>Sergio Alejandro Barrios Latorre</b></p> <p>Effects of grazing pressure on above ground biomass and regeneration limitation on Miombo woodlands - <b>Thadei Rugambwa</b></p> <p>Garcinia kola: diversity, utilisation and domestication in Cameroon - <b>Anna Mañourová</b></p> <p>Reducing food waste using solar hybrid dehydrator technology for sustainable food processing in western Kenya - <b>Rodgers Oyugi</b></p> <p>The responses of herbaceous species of Miombo woodlands at different grazing intensities in Tanzania - <b>Huruma Mbonea</b></p> <p>Exploring the role of local institutions on social conflicts in the Karamoja cluster - <b>Kuule Derick Ansyijar</b></p>
11.45 (45 min)	Lunch break/ mingle
12.30 (45 min)	<p><b>Round table discussion:</b></p> <p>The UN food systems process - an agenda for action for each one of us</p> <p>Chair: Madeleine Fogde, SIANI</p>
13.15 (15 min)	Break

Day 1, 26 September

13.30 (75 min)	<p><b>Panel 5 - Agroecology, food sovereignty and security, and land justice</b></p> <p>Chair: Cristian Alarcón</p>	<p><b>Panel 6 - Gender-based barriers and opportunities for food security and sustainable agricultural systems</b></p> <p>Chair: Eirini Daouti</p>	<p><b>Panel 7 - Animal production, pastoral and livelihoods</b></p> <p>Chair: Ivar Virgin</p> <p><b>Olivia Graaf Bjöersdorff</b> <i>Antimicrobial resistant Campylobacter is an urgent issue within food production systems in Uganda</i></p> <p><b>Billy Okemer Ipara</b> <i>Does diversity in farm production influence dietary composition of pastoral and agro-pastoral households? Evidence from West Pokot, Kenya</i></p> <p><b>Dinah Seligsohn</b> <i>Evil eye, dirty hands and squirrels - perceptions of mastitis among camel pastoralists in northern Kenya</i></p> <p><b>Bertha Chitambo</b> <i>Sustainable intensification of Zambian goat production in a changing world</i></p>	<p><b>Panel 8 - Gender and human rights approaches to food productions</b></p> <p>Chair: Johanna Bergman Lodin</p> <p><b>Karolin Andersson</b> <i>Our Kigali? Intersections of gender and age in the formation of livelihoods and positionalities of urban and peri-urban farmers in Kigali, Rwanda</i></p> <p><b>Jaqueline Kajembe</b> <i>Following in the footsteps of the successful spice farmers: Diversification and gender inclusiveness as determining factors</i></p> <p><b>Ana Garcia Juanatey</b> <i>Beyond the human right to food: the contribution of the principle of equity and poverty eradication to reaching SDG2 on Zero Hunger</i></p> <p><b>Judith Irene Nagasha</b> <i>Gender-based approaches for improving milk safety, value addition and marketing among smallholder livestock farmers in Western Uganda</i></p>
14.45 (15 min)	Break			
15.00 (30 min)	Wrap-up of Day 1			
15.30 (30 min)	Mingle			

Day 2, 27 September

08.30 (30 min)	The conference platform opens			
09.00 (45 min)	<p><b>Welcome to Day 2</b></p> <p>Chair: Bridget Bwalya</p> <p><b>Keynote speaker</b> - Betty Kibaara, Director of the Food Initiative at The Rockefeller Foundation, Africa Region Office</p> <p><b>Keynote speaker</b> - Seema Kulkarni, National Facilitation Team member of Mahila Kisan Adhikar Manch (MAKAAM) Forum for women farmers' rights</p>			
09.45 (15 min)	Break			
10.00 (75 min)	<p><b>Panel 9 - A more robust food supply - research in and for uncertain times (Part 1)</b></p> <p>Chair: Elin Rööds</p>	<p><b>Panel 10 - From project interventions to transformative impacts: Charting paths for sustained adoption of agri-food innovations</b></p> <p>Chair: Adewole Olagoke</p>	<p><b>Panel 11 - Agroforestry: From Asia to Africa</b></p> <p>Chair: Linnea Pasquier</p> <p><b>Kuntum Melati</b> <i>Strengthening policy support for smallholders under the EU Deforestation Regulation in Southeast Asia</i></p> <p><b>Van Hung Do</b> <i>Fruit-tree based agroforestry for a sustainable farming system in the sloping uplands northwest Vietnam</i></p> <p><b>Edna Lugano</b> <i>Human rights-based approach for attaining food, nutrition and income security: A case of agroforestry for livelihood empowerment program</i></p> <p><b>Huu Thuong Pham</b> <i>Light distribution and interception in fruit-crop agroforestry practices on sloping land</i></p>	<p><b>Panel 12 - Indigenous knowledge production and rights in food system</b></p> <p>Chair: Jamila Haider</p> <p><b>Sintayehu Tamene</b> <i>Evaluating the diversity of knowledge about medicinal plants among three ethnic groups in South-central Ethiopia</i></p> <p><b>Repa Kustipia</b> <i>Sundanese eco-gastronomy: build back better ecology with ethnofood and ethnobotany</i></p> <p><b>Prabu Nadaraja</b> <i>Building resilience through revitalisation of indigenous food systems in the northern province, Sri Lanka: A case of nourish north initiative</i></p> <p><b>Purabi Bose</b> <i>Films as human rights: through the lens of indigenous people's forest food</i></p>
11.15 (30 min)	Partner's pitch			
11.45 (45 min)	Break			

Day 2, 27 September

	<p><b>Round table discussions</b></p> <p>Building the resilience of smallholder farmers through biodiversity</p> <p>Chairs: Bobby Ogwang and Aileen Kendi</p>			
13.15 (15 min)	Lunch break / mingle			
13.30 (75 min)	<p><b>Panel 13 - A more robust food supply – research in and for uncertain times (Part 2)</b></p> <p>Chair: Elin Rööb</p>	<p><b>Panel 14 - Food productions and innovations</b></p> <p>Chair: Johanna Bergman Lodin</p> <p><b>Gabrielle Edwards</b> <i>Utilizing a hydroponic shipping container farm for food systems education: A case study</i></p> <p><b>Dheeraj Singh</b> <i>Kharchia wheat from Pali, India: a local landrace showcasing resilience under saline agroecosystem</i></p> <p><b>Gideon Danso-Abbeam</b> <i>Greenhouse farming technology as climate-smart agriculture: Heterogenous effects on farm performance in Ghana</i></p> <p><b>Virginia Gonzales</b> <i>Greenhouse study of growth-promoting bacteria to improve drought tolerance in quinoa</i></p>	<p><b>Panel 15 - Modelling, innovation and big data for sustainable food system</b></p> <p>Chair: Mattias Jonsson</p> <p><b>Thomas Daum</b> <i>Moving beyond the productivity paradigm: Agricultural innovation systems and sustainable transformation in Africa</i></p> <p><b>Justin Munyaka</b> <i>Agriculture expansion into forest reserves in Zambia: A remote sensing approach</i></p> <p><b>Rafaela Flach</b> <i>The Global Subnational Agricultural Platform (GSAP): Addressing the information gap in agricultural production data for improved food security</i></p> <p><b>Muhammad Naveed Arshad</b> <i>Landscape decision system through spatial modelling tools to ensure food security</i></p>	
14.45 (15 min)	Break			
15.00 (30 min)	Wrap-up of Day 2			
15.30 (30 min)	Mingle			

### Day 3, 28 September

08.30 (30 min)	The conference platform opens			
09.00 (45 min)	<p><b>Welcome to Day 3</b></p> <p>Chair: Bridget Bwalya</p> <p><b>Keynote speaker</b> - Appolinaire Djikeng, Director General of the International Livestock Research Institute (ILRI)</p> <p><b>Keynote speaker</b> - Wangu Mutua, Deputy Regional Director for Vi Agroforestry</p>			
09.45 (15 min)	Break			
10.00 (75 min)	<p><b>Panel 16 - Unlocking the potential of the African continental free trade area for fostering inclusive development and sustainable food systems</b></p> <p>Chair: Assem Abu Hatab</p>	<p><b>Panel 17 - Smallholders attitude toward food and agro-productions</b></p> <p>Chair: Madeleine Fogde</p> <p><b>Mesia Ilomo</b> <i>Agricultural biologicals in sub-Saharan Africa: smallholder farmers' perspectives</i></p> <p><b>Allan Mweke</b> <i>Assessment of smallholder farmers' knowledge, attitude and practice on use of agricultural biologicals in Kenya</i></p> <p><b>Blanca González-Mon</b> <i>Mapping response interactions to deal with coalescing changes in a South African food value chain</i></p> <p><b>Tewodros Zewdie</b> <i>Knowledge, attitude, and practices (KAP) of smallholder farmers on agricultural inputs with a focus on biologicals</i></p>	<p><b>Panel 18 - Renewable energy and supply chains</b></p> <p>Chair: Aileen Kendi</p> <p><b>Uwingabire Solange</b> <i>Biochar from cookstoves: Farmer-led French bean trials from smallholder farmers in Rwanda</i></p> <p><b>Jorge Marco</b> <i>Enhancing resilience: multi-scale network analysis in the integration of the land perspective within the water-energy-food nexus</i></p> <p><b>Mweetwa Sikamikami</b> <i>Renewable energy-powering food value chains</i></p> <p><b>Franziska Ollendorf</b> <i>Deforestation-free cocoa production in Ghana: Future pathways for a new division of roles and responsibilities in the global cocoa-chocolate chain</i></p>	<p><b>Panel 19 - Agricultural production chains</b></p> <p>Chair: Mattias Jonsson</p> <p><b>Diwakar Kumar</b> <i>Valuable soils and minimised chemical fertiliser content analysis in arid regions of Gujarat</i></p> <p><b>Hajara Hilal Yusuf</b> <i>Reimagining the cultural landscape of Oryza Sativa L. (Pokkali rice)</i></p> <p><b>Dheeraj Singh</b> <i>Seed village programme for food sovereignty: A success story from arid zone</i></p> <p><b>Ibsa Aliyi Usmane</b> <i>Contribution of hot pepper production to household food security and income generation in Gursum District, Oromia Regional State, Ethiopia</i></p>

**Day 3, 28 September**

11.15 (30 min)	<p><b>Guided poster walks</b></p> <p>Enhancing food security through climate-smart-agricultural practices: Micro-economic-level evidence from smallholder maize farmers in South Africa - <b>Abeeb Omotoso</b></p> <p>Biofortification of cereals based bread using orange fleshed sweet potato for alleviating of vitamin-A deficiency - <b>Kedir Jebo</b></p> <p>Potential opportunity in the cassava value chain: A Nigeria case study - <b>Ibikunle Olaleru</b></p> <p>Backyard garden contribution to the food security status of urban households - <b>Chiedza L. Muchopa</b></p> <p>Rotavirus genotypes circulating in calves and children in central Ethiopia - <b>Yisehak Tsegaye Redda</b></p> <p>Impact of climate change on management practices of maize: case of Mount Makulu, Zambia - <b>Charles Bwalya Chisanga</b></p> <p>Crop yield perdition in a heterogeneous agricultural region using remote sensing images and machine learning algorithm - <b>Rashed Uz Zaman</b></p> <p>Genetic diversity in old and alien wheat genotypes for nutritionally important traits - <b>Olawale Jubril Olalekan</b></p>
11.45 (45 min)	Lunch break/ mingle
12.30 (45 min)	<p><b>Round table discussions</b></p> <p>Engaging stakeholders and translating science into policy and practice</p> <p>Chairs: Ivar Virgin and Sofia Boqvist, AgriFoSe2030</p>
13.15 (15 min)	Break

Day 3, 28 September

13.30 (75 min)	<p><b>Panel 20 - Food systems in the face of climate and exogenous shocks: Building back better for increased resilience</b></p> <p>Chair: Enock Owusu-Sekyere</p>	<p><b>Panel 21 - Pest and sanitation</b></p> <p>Chair: Mattias Jonsson</p> <p><b>Sivlin Ung</b> <i>Screening and evaluating potential lactic acid bacterial from Cambodian fermented vegetables</i></p> <p><b>Laingshun Huoy</b> <i>Prevalence of Salmonella spp. in meat and leafy green vegetable from local market and vegetable farms in Phnom Penh, Cambodia</i></p> <p><b>Thomas O'Malley</b> <i>Mating disruption for sustainable control of the invasive fall armyworm in smallholder farming in East Africa: Possibilities and constraints</i></p> <p><b>Nikolaos Alexandridis</b> <i>Climate change and ecological intensification of agriculture in sub-Saharan Africa – a systems approach to predict maize yield in push-pull technology</i></p>	<p><b>Panel 22 - Market access and supply chains</b></p> <p>Chair: Bobby Ogwang</p> <p><b>Anne Elise Stratton</b> <i>Sustainability from the bottom up: Finding common ground for sustainable agriculture and food systems through multi-actor visioning in Mexico</i></p> <p><b>Ogbonnaya Ukeh Oteh</b> <i>Understanding the biofortified cassava market in Nigeria. Determinants of consumer demand and farmer supply</i></p> <p><b>Tabeer Riaz</b> <i>Smallholder farmers' willingness to pay for improved access to irrigation water supply in Egypt: A contingent valuation approach</i></p> <p><b>Beatrice Manful</b> <i>Contract farming and smallholder inclusion: factors motivating smallholder vegetable farmers into contract farming in South Africa</i></p>	
14.45 (15 min)	Break			
15.00 (30 min)	Closing remarks by Irene Annor-Frempong, FARA			
15.30 (30 min)	Wrap-up of Day 3			
16.00 (30 min)	Conference ends/ Mingle
