**Date:** den 27 januari 2020 15:22:22

---

Hejsan prefekter

Jag skulle vara mycket tacksam om ni vill hjälpa mig sprida information om nedanstående evenemang till forskarna på er institution.

Karin Kylberg från VR kommer till Ultuna och berättar om de utlysningar som är aktuella för SLU just nu.

Det är kort varsel men så blir det ibland.

Tack på förhand

/Lars Erik
