About funding - SLU Course organiser's guide

Please forward this message

As a researcher/supervisor employed at SLU you can apply for organising PhD courses.

1. Funding is primarily provided by [SLU's research schools](#). Please see links below to their respective websites for more information. Coming up soon is GS-VMAS research school with an application deadline at 15th of May 2020.
2. If you plan to organise a course together with colleagues at Nordic universities, members in the [NOVA university network](#), and aim for participants from SLU and other international universities it is also possible to apply for funding from [SLU NOVA](#). [SLU NOVA](#) will open for applications on March 16, for courses to be organized during 2021. Application deadline is May 15.
3. Additional, funding might be available at the faculty.

Best wishes

Lotta Hansson

On behalf of SLU research schools and SLU NOVA
