Hej,

Här kommer terminens femte prefektutskick där vi försöker samla utlysningar och likande forskningsinformation som kommit till fakulteten.

U-Share post-doc funding and opportunity

U-Share has identified the possibility to train as a postdoc at the other university as an attractive approach to increase collaborations and to exchange scientific knowledge in a way that will benefit both universities. U-Share opens therefore its second post-doc collaboration call. Deadline 15th of May.

U-Share is a project that aims to increase interactions and collaboration between Uppsala's two universities, [Uppsala University](#) (UU) and [Swedish University of Agricultural Sciences](#) (SLU). This applies to both education, research, infrastructure and clinical activities.

N.B The match-making meeting on **19 March is cancelled**.

If you have planned to join this meeting, please let us know so we can get an idea of the interest. In this case, send an e-mail to kerstin.henriksson@igp.uu.se or ushare@slu.se.

OPEN CALLS at SLU

-

- 500.000 SEK towards cat diseases, foremost genetic related disease (Maj Johnsons Fond)
- 100.000 SEK for research on dogs and cats (SSF)
- 200.000 SEK on dog diseases (Ingeborg Ögrens Fond)

See attached file for each call

Enhance your career with a MSCA Individual Fellowship at KU Leuven, Belgium!

Are you a (post)doctoral researcher thinking about your next career move? The Marie

Skłodowska-Curie (MSCA) Individual Fellowships may be just right for you. These fellowships fund researchers looking to enhance their career development and prospects by working abroad. KU Leuven - being one of the leading European universities - allows you to work in a first class research environment while benefitting from an attractive remuneration package.

KU Leuven offers in-depth support to promising applicants in all fields of research. Candidates are invited to attend our Master Class on 16 & 17 June 2020. The Master Class is intended to get to know KU Leuven and your future supervisor and research group, and in addition includes an in depth proposal writing clinic. The Master Class is free of charge and travel allowances are available for candidates travelling to Leuven.

Consult our webpage for more information: www.kuleuven.be/eu/msca-if

CANCELLED – WRITING POPULAR SCIENCE BOOK

The Library has cancelled the seminar with Natur & Kultur on writing books.

Workshop call: Towards carbon neutral agriculture

On 17-18 June 2020, the European Commission and the EIP-AGRI Service Point are organising the workshop 'Towards carbon neutral agriculture' in Estonia. We are looking for farmers and other participants with experience in designing and/or implementing farming systems or practices contributing to reducing the carbon footprint of the European agricultural sector.
