Hej,

Här kommer terminens sjunde prefektutskick där vi försöker samla utlysningar och likande forskningsinformation som kommit till fakulteten.

FORMAS Annual open call

VH sent in 73 applications to Formas Open Annual subcalls “research projects” and “Early career reserachers”. 73 applications is the highest number of applications since 2016. And still this don't include the number of mobility grants because this as has been lifted out of the annual open call and has deadline for applications on the 28th of April.

Call open at FORMAS

Measures for increased animal welfare

Sweden is one of the leading countries in the world regarding animal welfare. However, in order to further improve the animal welfare additional solutions and measures need to be developed and applied in several areas.

Deadline 14th of May

CANCERFONDEN

CANCERFONDEN has open their call for projects.

Deadline 5th of May

Link for more information: <https://www.cancerfonden.se/forskning/for-forskare/sok-anslag-for-forskare#logga-in-i-fenix>

Upcoming calls from VR

Network grant within the infection area: knowledge gaps within antimicrobial resistance

Opens on 29th of April- closes on 26th of May

Research time for clinicians within the infection area: Resistance to antibacterial and antifungal drugs

Opens on 29th of April- closes on 26th of May

CHECK VR.se for more info.

Stiftelsen Lantbruksforskning

Stiftelsen Lantbruksforskning has open its annual call.

Deadline 14th of June

Link for more info: <https://www.lantbruksforskning.se/aktuellt/nyheter/valkomna-att-soka-i-stiftelsen-lantbruksforskning/>

Stiftelsen Hästforskning

Stiftelsen Hästforskning has open its annual call.

Deadline 4th of June

Link for more info: <https://hastforskning.se/in-english/call-for-applications-2/>

U-share postdoc-grant and notice board

At U-share notice board several PI:s are looking for post-docs! Check it out

<https://www.u-share.se/events/notice-board/> at the moment there are notices on bioinformatics and cancer.

Don't forget to apply

U-Share post-doc funding and opportunity

U-Share has identified the possibility to train as a postdoc at the other university as an attractive approach to increase collaborations and to exchange scientific knowledge in a way that will benefit both universities. U-Share opens therefore it second post-doc collaboration call. Deadline 15th of May.

Link to U-share homepage

<https://www.u-share.se/>

Direct link to the call

<https://www.u-share.se/events/call-for-applications/>

U-Share is a project that aims to increase interactions and collaboration between Uppsala's two universities, [Uppsala University](#) (UU) and [Swedish University of Agricultural Sciences](#) (SLU). This applies to both education, research, infrastructure and clinical activities.

With hopes of a nice day!

Ola Thomsson
