Let the app find your trip

See your ticket with one click

Travel easily with your ticket in the app

You have all the information in one place if you buy your ticket in the app. You can always see where your ticket is valid and for how long. Here's what to do:

Download the app for free

Search for Skånetrafiken in Google Play or in the App Store and download the app.

Select your trip and buy your ticket

Open the app and enter where you want to travel. The app will automatically show you trip options. Select your trip and how you want to pay. Once you buy your ticket, it's saved in the app until you choose to activate it.

Activate your ticket

You must activate your ticket in the app before you board.

Tap or show your ticket

On the bus: Tap your ticket by holding it against to the ticket reader. On the train: Show your ticket to the train attendant.

Or travel with your ticket on a travel card

You can order a Skånetrafiken travel card on our website. The card costs 30 SEK and is sent to your postal address within one week.

Connect your ticket to your travel card

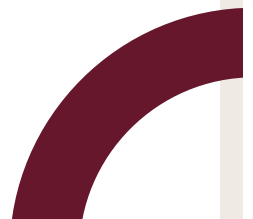

Buy your ticket on Skånetrafiken's website, in a ticket machine at the train station, or from one of our customer service centres or local ticket agents. Connect the ticket to your travel card by entering the card number located on the back of your travel card.

Activate your ticket

With a travel card, you can choose to activate your ticket directly upon purchase. You can also choose to activate it later by tapping your card at a ticket machine or on the bus.

Travel with a travel card

Once you have activated your ticket, all you have to do is tap your travel card on the bus or show the card to the attendant on the train.

Connect your ticket to your travel card
when you buy your ticket. Don't forget to activate
your ticket before boarding.

Popular tickets and discounts

Here you can see a selection of our tickets and discounts. You can also visit Skånetrafiken's website for other secure and sustainable options for your travels within Skåne or to Copenhagen.

Single ticket – a good option for less frequent travellers

This ticket is valid 1–3 hours from activation depending on the zone*. For example, you can start your trip with a regional bus and then take a connecting city bus within one hour.

24-hour ticket – a good option for travelling round trip

This ticket is valid for one day from activation and the price is the same as two single tickets. You can travel unlimited within your zone during this time period.

30-day ticket – a good option for daily commuting

The ticket is valid for 30 days after activation. You can travel unlimited within your zone during this time period.

Available discounts

Skånetrafiken offers a discount for children, students, seniors and those who travel in groups of two or more. Read more about our discounted tickets at skanetrafiken.se.

*The zone is the geographical area within which you can travel. Your zone is automatically set when you buy your trip.

Read more about our trips

You can find current information about our bus and train connections, tickets and prices on Skånetrafikens website. If you would like to contact our customer service, you can reach us by phone at **0771-77 77 77**, available 7 days a week. Or use the chat feature on the website.

Skånetrafikens is here for everyone who lives, works and travels in Skåne. We make sustainable travel easy. Every day, people make around 465,000 trips with one of our 14,000 daily bus and train services, as well as 6,500 mobility service trips – to work, to family and to friends. Our bus and train trips carry the Good Environmental Choice label and, by travelling together, we all contribute to a sustainable society, a better environment and a thriving region. This empowers all of Skåne. Or gives it a lift, if you like.

All Skånetrafikens bus and train trips are certified as a Good Environmental Choice by the Swedish Society for Nature Conservation.
