Swedbank's account register

When you register your account with our account register, you will receive payments from companies and government agencies, such as student loan payments, directly into your account. The money will be paid out via Swedbank's salary and payment system. You do not need to be or become a customer of ours to have an account registered in our account register.

Frequently asked questions about Swedbank's account register can be found at swedbank.se/kontoregister.
