

Quality and Impact 2018

Panel names and Units of Assessment summary

Panel name	Faculty name - Unit of Assessment name	UoA in the panel	Number of persons in the UoA
Agricultural and horticultural production	NJ - Crop Production Ecology	1	54
	NJ - Crop Science Grass and Forage Science	1	10
	LTV - Horticultural microbiology and production physiology	1	20
	LTV - Cropping systems ecology, technology and statistics	1	26
	Total	4	110
Animal Health	VH - Biomedical Sciences and Veterinary Public Health (BVF)	1	65
	VH - Surgical Sciences	1	20
	VH - Sport & Companion Animal Medicine and Veterinary Nursing	1	29
	VH - Production Animal Medicine	1	27
	VH - Animal Reproduction	1	26
	Total	5	167
Animal Science	VH - Forage Utilisation (Ruminants)	1	12
	VH - Animal Environment and Building Function	1	8
	VH - Animal nutrition and management	1	50
	VH - Animal breeding, genetics and bioinformatics	1	46
	VH - Anatomy, physiology and biochemistry	1	26
	VH - Animal Environment and Health	1	41
	Total	6	183
Aquatic and Terrestrial Ecology	NJ - SLU Aqua (Aquatic sciences)	1	92
	S - Animal Ecology	1	55
	NJ - Aquatic ecology	1	21
	NJ - Ecology - N	1	87
	S - Ecology - S	1	46
	NJ - Current and future species distribution	1	10
Total	6	311	

Faculty abbreviations

NJ - Natural resources and Agricultural Scien.

LTV - Landscape Architecture, Horticulture and Crop Production Scien.

VH - Veterinary Medicine and Animal Scien.

S - Forest Scien.

Panel name	Faculty name - Unit of Assessment name	UoA in the panel	Number of persons in the UoA
Economics, Business and Management, and Statistics	S - Resource Economics	1	9
	S - Forest Economics	1	5
	NJ - Business and management	1	24
	NJ - Agricultural and environmental economics and applied analysis	1	33
	LTV - Work Science and Business Economics	1	21
	Total	5	92
Forest Management	S - Rural Development	1	8
	S - Forest Management	1	76
	S - Forest Resource Management	1	61
	S - Southern Swedish Forest Research Centre	1	45
	Total	4	190
Genetics, Molecular Biology and Physiology	S - Forest genetics and plant physiology	1	89
	NJ - Microbial ecology, genomics and metabolism	1	14
	NJ - Genetics and Plant Breeding	1	26
	NJ - Plant Molecular Biology	1	46
	LTV - Plant Breeding	1	29
	LTV - Plant Biotechnology	1	22
	Total	6	226
Molecular Sciences, Biomaterials, and Technology	S - Wood Science and Technology	1	7
	NJ - Chemistry	1	22
	NJ - Biochemistry and Biotechnology	1	26
	NJ - Microbiology	1	21
	NJ - Food Science	1	21
	S - Forest biomaterials and technology	1	36
	NJ - Biosystems Engineering	1	51
	LTV - Plant production Quality	1	22
Total	8	206	

Faculty abbreviations

NJ - Natural resources and Agricultural Scien.

LTV - Landscape Architecture, Horticulture and Crop Production Scien.

VH - Veterinary Medicine and Animal Scien.

S -Forest Scien.

Panel name	Faculty name - Unit of Assessment name	UoA in the panel	Number of persons in the UoA
Nature and Society			
	NJ - Agrarian history	1	10
	NJ - Rural Development – Global south	1	22
	NJ - Rural Development – Sweden and Europe	1	15
	NJ - Environmental communication	1	15
	LTV - Landscape Architecture	1	39
	LTV - Environmental Psychology	1	17
	LTV - Urban Vegetation, Governance and Management	1	34
	LTV - Design of Urban Landscapes and Landscape Planning	1	39
	NJ - Swedish Biodiversity Centre	1	20
	Total	9	211
Plant Protection			
	S - Forest Mycology and Pathology	1	23
	NJ - Plant pathology	1	18
	LTV - Chemical Ecology	1	27
	LTV - Resistance Biology-Integrated Plant Protection	1	29
	Total	4	97
Soil and Environmental Sciences			
	NJ - Geochemistry and organic environmental chemistry	1	31
	NJ - Chemistry and biology of soils, Plant nutrition, and Precision Agriculture	1	38
	NJ - Soil and Environmental Physics, Agricultural Soil and Water Management (including water quality)	1	41
	S - Biogeochemistry of Forest Soils	1	9
	Total	4	119
Total number of UoA and UoA members		61	1912

Faculty abbreviations

NJ - Natural resources and Agricultural Scien.

LTV - Landscape Architecture, Horticulture and Crop Production Scien.

VH - Veterinary Medicine and Animal Scien.

S -Forest Scien.
