

Brief presentation.

My research and teaching covers a wide field of integrated and interdisciplinary approaches to landscape and the multiple values of landscapes. I have spent more than four years at Univ. of Gloucestershire and Univ. of Sheffield and dedicated more than a decade to international, mainly European, cooperation in teaching, research and landscape policy. I am leader of the Landscape Planning, Analysis and Cultural Heritage group at the Department of Landscape Architecture, Planning and Management, SLU, Alnarp and member of the Steering Group for Future Animal Health and Welfare (FAHW), as well as the research committee of the focus group on Human Animal Interaction. I am also a member of the Research Advisory Group at SLU (Forskarrådet).

Current appointment;

1 Nov. 2010. Professor of Landscape Planning at Department of Landscape Architecture, Planning and management, at SLU, PO Box 58, SE 230 53 Alnarp, Sweden. E-mail: ingrid.sarlov-herlin@slu.se

Previous appointments

Nov. 2005- Nov.2010. Senior Lecturer at Department of Landscape Architecture, Swedish University of Agricultural Sciences.

March 2005 - March 2007. Part time (10 %). Researcher at Countryside & Community Research Unit, University of Gloucestershire, Cheltenham, UK.

1995-2004. Lecturer at the Department of Landscape Planning Alnarp, Swedish University of Agricultural Sciences.

1990-1995. Research assistant/ doctorate student, at the Department of Landscape Planning Alnarp, Swedish University of Agricultural Sciences.

University degrees

1999. Doctor's Degree, (Landscape Planning), SLU, Alnarp. Title of thesis: *"Edge habitats in agricultural landscapes. Woody species, landscape ecology and implications for planning"*.

1990. Landscape architect. M Sc., SLU, Thesis work; *"Park and nature at Skärva, history, vegetation and management"* (in Swedish).

Competence as Associate Professor (Docent)

17 April 2009. Docent; Associate Professor at Faculty of Landscape Planning, Horticulture and Agricultural Sciences, SLU, Alnarp.

Recent research funding and projects; (selected)

2015-2017. FORMAS. Landscape up in smoke; revealing the changing landscape related identity among people who used the forest fire area in their daily lives. 3800000 SEK (Project leader, main applicant).

2016. Luncheon on the Grass (Frukost i det Gröna). Book project, RAÄ, 280000 SEK.
