

SPECIFIC REQUIREMENTS FOR RESPECTIVE TARGET GROUPS

DEPARTMENTAL SUPPORT

Accessibility for their colleagues

Place for privacy and peace of mind

Skills development - international exchange with each other

RESEARCHER

Opportunity to connect us to the international context / it should be easy to communicate with research colleagues

Functional world-leading infrastructure in the niche sense and which can be shared in a smooth way (infrastructure / sharing culture - Sharing is caring and enables more and higher quality)

Infrastructure for research communication in different dimensions

Opportunities to facilitate physical meetings (collaboration) (ref Puffendorf)

Test areas, working lab, plant cultivation, landscaping

LECTURER

Physical teaching environment important for a good pedagogy and sense of education

The high-tech solutions must work and you need the skills to use them

Be able to reach out to and collaborate with external parties via digital aids

Spaces / places to ventilate that enable recovery and tranquility after intensive efforts without being observed at the same time

"Teacher's room" - space to meet other teachers, reflect, discuss and develop pedagogy

COLLABORATION PARTNER

Clear information to locate things on the site

Inspirational workspace

Seamless technology - everyone has access

Viewpoint over Alnarp - strong attraction internationally

Places to relax and sit undisturbed

STUDENT

Demands for more activities on evenings / weekends

More facilities on campus - eg convenience store

Different types of communications train, car

Good study environment

Good meeting place

VISITOR

Must have an attractive café with good sustainable food and location, the restaurateur is crucial as a reason to visit

To build in knowledge and experiences that make you choose Alnarp over other destinations

Easy and convenient to get here and find your way

The open place for everyone. Important with diversity for the area to be experienced as attractive and inviting for different target groups

Make visible and profile physically international and new initiatives / areas
