

Work plan and timetable for independent project (degree project) To be filled jointly by student and main supervisor, and approved by the examiner.

If needed, the plan may be revised. If so, fill in a new form and keep the examiner involved in the process. The original of this plan should be kept at the examiner's department for the duration of the project.

Student's name:	Civil registration number (personnummer):
-----------------	---

Course code (EXnnnn):	Name of course:	Main subject area:
Level: Basic (G2E) <input type="checkbox"/>	Advanced (A1E) <input type="checkbox"/>	Advanced (A2E) <input type="checkbox"/>
Scope: 15 hp <input type="checkbox"/>	30 hp <input type="checkbox"/>	60 hp <input type="checkbox"/>
Preliminary title of the thesis:		
Main supervisor:	Department:	
Co-supervisor(s):	Department (or equivalent):	
Examiner:	Department:	

If the work is performed by a group of students (max 3 persons), a work plan is established for each student, which shows how the work should be reported, so that the individual performance can be assessed.

Aim/objective
Methods
Material/literature
Supervision forms
Needs for further development of skills and knowledge required to carry out the work. Should summarise discussion between student and supervisor; do not use stereotyped text.

Time plan (to be revised if needed)

Start of work:	(datum, yy-mm-dd)
Work plan completed:	(datum, yy-mm-dd)
Literature search/compilation:	(weeks)
Collection of data:	(weeks)
Data processing and report writing:	(weeks)
First draft of the complete thesis/report:	(datum, yy-mm-dd)
Complete thesis/report ready for examination:	(datum, yy-mm-dd)
If delayed publication is required, give the date for uploading to Epsilon	(datum, yy-mm-dd)
All components completed and approved (10, 20 or 40 weeks full time from start)	(datum, yy-mm-dd)

If the work will be done on a part-time basis, and/or divided over separate periods, describe how here (leave blank if not applicable)

--

If this is a revised plan, specify the reason for the update (leave blank if not applicable)

--

Risk management (leave blank if not applicable)

If the work is fraught with hazards (e.g., work with power tools, dangerous chemicals or work performed alone), describe measures to be taken to minimize the risk of accident (to be done in an annex).	Annexed <input type="checkbox"/>
--	----------------------------------

Supervisor(s) outside SLU (leave blank if not applicable)

External supervisor's name, organisation and e-mail:
--

Agreement exists between SLU and an external organization regarding funding, delayed publication etc. (should be attached if applicable)	Yes	No
--	-----	----

Student, supervisor and examiner have taken part in (please tick)

Grading criteria

Document *Guide for conducting an independent project at the NJ-faculty at SLU*
