

Salary Account - Sveriges Lantbruksuniversitet (SLU)

Information to bring to the Swedbank branch office for registering an account in Swedbank's account register

For payments taking place via the Salary and Payment services of Swedbank you can ensure that your deposits go to the right account by registering your account (irrespective of which bank) in Swedbank's account register.

Account in a foreign bank can only be registered at a Swedbank or Savings bank branch office.

Please take this information with you.

NOTE

- You must be the account holder or co-account holder for the account you are registering.
- Contact your bank for assistance relating to the correct bank account information.
- You must bring a valid form of identification to the bank branch office
