Other information

Liquid soap, toilet paper and paper towels are included in the cost of the cleaning services. If necessary, plastic cups are also included at some student and public areas at the University Animal Hospital.

Products outside of our ordinary range are paid for by the client, e.g. hand sanitiser, Torqy paper for laboratories and lunchrooms, washing up-liquid or powder, dishcloths, dishbrushes, etc.

Office carpets encumber cleaning and therefore cost extra.

Dusting applies to open spaces – we do not clean up around piles of paper, photos, flowerpots, ornaments, etc.

We do not dust computers or screens. Hang your cables under the table – do not use the floor as storage. It will not be as clean as it could be.
