Important information regarding your dissertation

Checklist – what to do before your dissertation:

- Please send the title page by e-mail to fun-vh@slu.se, as soon as your thesis is sent for printing.
- The thesis should be **printed 3 weeks before the dissertation** at the latest, (the day of public display of the thesis).
- On the day of public display it is your responsibility that **4 copies** of the thesis are available at the SLU University Library and **1 copy** at the Registrar office, Box 7070, 750 07 Uppsala.
- Your thesis should also **be published electronically** 3 weeks before the dissertation (on the day of public display).

Serial number and ISBN number for your thesis can be obtained using this online form: <https://www.slu.se/en/subweb/library/publish-and-analyse/register-and-publish/isbn/>

A guide about how to publishing your thesis is available at the webpage of the SLU University library: <https://www.slu.se/en/subweb/library/publish-and-analyse/register-and-publish/publish-doctoral-and-licentiate-theses/>

It is important that you send your thesis for printing well in advance. You can also contact the SLU University Library biblioteket@slu.se, 018-67 11 03, for further information.

The dissertation will be announce on the SLU web site.

You can find information about the degree application procedure (after a successful thesis defense) here: [Degrees](#)

When the time comes to confer the doctor's degree, it is important that Academic Ceremonies can reach you. Information about this matter is attached.

Good luck with your dissertation!
